My email to Rose--who was dealing with this last week-- was greeted with an out of office response so here it is to the two of you. Thanks Marty

Rose This is the site for the depositions next week. The order is still the same so far. On Monday we will take the deposition of Ashraf Abu Issa (Bob Haney will attend for Roots). On Tuesday Gap will take the deposition of Isabelle Richard. On Wednesday Gap will take the deposition of Amin El Sokary (I understand that Bob Haney also plans to attend this deposition for Roots). We will videotape the Abu Issa deposition. Does Gap wish to videotape their two depositions? None of the witnesses intends now to use an interpreter.

I do not believe Mr. Reyess is able to attend next week; if that changes I will let you know. If he does, we will fit him in as his examination would be very short. He would need an Arabic interpreter which the court reporters (TSG) will provide if necessary. Please let me know contact information for Daralyn in Paris so I can communicate any last minute changes directly to her. She can reach me at cell 415 215 5224 and by email. Thanks Marty
